

Today you received a miracle touch from Jesus. Thousands of people just like you have had miracle touches from Jesus. Over time and with experience we found many things influence people maintaining a miracle. So this little article may help you to keep your miracle. We are committed to helping you overcome and realize no two people are the same but there are some things that are the same for all of us, some of these we will mention in this article.

God works in many different ways but never outside what He says in the bible. You can receive a complete and instant miracle or sometimes Gods healing is activated in your life and is completed through a process of time and obedience to Christ.

The following pages will help teach you how to maintain and continue to receive your miracle. Not all miracle needs are caused by our actions or sin but many times they are. So lets talk about this a little before we begin.

God is interested in getting to the root of our problems while dealing with the fruit. That way we stay free! To explain, often things have come into our life through our actions or disobedience to God which is called "sin". As God helps us see the actions that created the problem we are able to ask God to forgive our sin and can live free as Jesus heals us. That way we will never lose the healing or miracle.

If God just heals the fruit of our bad actions it could enable us to continue to do wrong and we know God does not want to do that. The truth is Jesus wants to heal all of you. We always ask for what is annoying us the most to be healed but God is interested in a complete healing including your soul.

Once we need a miracle touch from Jesus the enemy is determined to keep us enslaved to our area of need. When we get free the enemy always tries to pull us back and these are some ways we can combat him doing this.

### Some interesting bible verses

*Exodus 15:26* If with all your heart you will give attention to the voice of the Lord your God, and do what is right in his eyes, giving ear to his orders and keeping his laws, I will not put on you any of the diseases which I put on the Egyptians: **for I am the Lord your life-giver (healer).**

*Isaiah 53:3-5* Men made sport of him, turning away from him; He was a man of sorrows, marked by disease; and like one from whom men's faces are turned away, He was looked down on, and we put no value on him. But it was **our pain he took, and our diseases were put on him:** while to us he seemed as one diseased, on whom God's punishment had come. But it was for our sins he was wounded, and for our evil doings he was crushed: he took the punishment by which we have peace, and by his **wounds we are made well (healed).**

*Mark 11:23-24* Truly I tell you, whoever says to this mountain, Be lifted up and thrown into the sea! and does not doubt at all in his heart but believes that what he says will take place, it will be done for him. For this reason I am telling you, whatever you ask for in prayer, believe that it is granted to you, and you will [*get it*].

*1Peter 2:24* He took our sins on himself, giving his body to be nailed on the tree, so that we, being dead to sin, might have a new life in righteousness, and by his wounds **we have been made well (healed).**

*3John 1:2* My loved one, it is my prayer that you may do well in all things, and **be healthy in body,** even as your soul does well.

*John 10:10* The thief cometh not, but for to steal, and to kill, and to destroy: I am come that they **might have life,** and that they might have it more abundantly.

*Mark 6:12-13* And they went out, and preached that men should repent. And they cast out many devils, and anointed with oil many that were sick, **and healed them.**

*Psalms 103:3* Who forgives all your iniquities; **who heals all your diseases;**

have been involved with witchcraft of any form, clearly renounce any association with it and remove any connections or items from your life.

As you become conscious of areas in your life God is not happy with then give them to God and actively change.

7) **Evil articles**

Some things in our homes and lives are dedicated to evil purposes and we may not be aware of that. Ultimately they are demonic in origin and effect our wellbeing and health. As these articles are not Godly He will not bless any connection to them. For example items from false religions, witchcraft, wicked dvd's, idols, martial arts, yoga have unhealthy or evil spiritual connections.

Remember our opinions change but Gods word stands forever. These things will affect your spiritual life and ultimately your physical life. Their roots are evil because of this they effect you maintaining your miracle.

**ANSWER** - God told His people to remove the evil articles from their midst and forbids us bringing such things into our homes. To ignore Gods advice curses your life. If you are unsure of a specific article or thing you are doing then simply ask God to show you. If you do not have total peace with it then why take the risk, get rid of it. Remember we always love to justify things that God really does not like. If you must justify something it probably is not ultimately healthy to your life. Just destroy it ask God to forgive it and move on in your miracle. Remember if something comes to mind and you are saying it does not matter then it probably does. After all, is it worth the chance that it effects your miracle.

**7 reasons we can lose our miracle.**

1. Needs create a culture around our life.
2. Our words.
3. Friends and family.
4. Doubt.
5. Expecting problems to return.
6. Sin ways.
7. Evil articles

1) **Needs create a culture around our life.**

Don't go back to the old ways. We create a culture in our life based around what our miracle need was. The longer we have the need the more we live out of that need. For example if someone has cancer, the longer they have it the more their life becomes about cancer, treatments, studies, coming to terms with, researching new, meeting similar people, looking on internet at cancer, etc.

**ANSWER** - Now Jesus has touched your life start to make changes to build a culture of life in Jesus Christ into your life. For example read the verses we provide from the bible on healing. Everyday read the scriptures until they become part of who you are. Take a walk in the morning and talk with Jesus. Continue to thank Him for your healing and any continued little differences for good in your life. The more we appreciate what God has done the more we receive .

---

2) **Our words**

Words have power. The bible teaches us in James 3 about the power of words. Our words can be used to bring life or death

into our lives and situations. Sometimes we are so accustomed to talking sickness fear, depression and doubt our words create death in our own lives.

**ANSWER** - Let your words be life giving healthy words according to the word of God. Be careful what you create with your tongue and who you talk with about your miracle.

---

---

3) **Friends and family.**

A miracle is not explainable so you waste your time to try. Men love reasons and often discard what God has done because they expect you to be the same or flat out do not believe in God, miracles or that there will ever be a change in your life.

**ANSWER** - Trust Jesus loves you enough to help you. Until you have come to terms with the fact God has performed a miracle in your life, you may do well to be selective who you tell in great detail.

---

---

4) **Doubt**

Doubt it really happened. Things around our life effect us. If we allow ourselves to dwell on doubt fear depression etc. We open the door for things to come back on our life.

**ANSWER** - Focus on Jesus and what He has done for you. Even if you do not understand what happened you must read the Holy bible. You will start to see it is Gods love that did the miracle and His love will continue to bless your life. Talk with Jesus, make Him your best friend and doubt will leave your life.

---

---

---

5) **Expecting problems to return.**

You can live with a problem for so long that you just always expect it to be there. For example your leg was healed but you limp now out of habit. In that habit you expect the pain to return and eventually it may if you do not alter your habits.

**ANSWER** - As you are comfortable with the idea start to do things you could not do before. Get a clearance from your doctor if you feel more comfortable with this and then expect to never go back. Alter your life patterns to live free.

---

---

6) **Sin ways**

Previous sin or current sin always effects our lives. The bible **CLEARLY** states in ***Romans 6:23 the payment for sin is death. But the free gift of God is eternal life in Christ Jesus our Lord.*** A very clear example of this is people who have been involved with witchcraft of any form including, psychic's, tarot readers, clairvoyants or astrology. These areas are forbidden by God and we know those participating in such things bring a curse their lives.

The devil is a deceiver and most never associate the consequences of their sin with their act of sin. The bible clearly states there are consequences for our sin. Every man can do what is right in his own eyes but God sets the **unchanging** standard for right or wrong.

**ANSWER** - Regardless of what you think is right or wrong God has laws set in place for our safe keeping. These laws we must measure by as they are unchanging. Our opinions change from day to day but Gods laws are everlasting and unchangeable. Specifically ask God to forgive you. If you
